

# SIXTH FORM NEWS

December 2014

In celebration of the 13<sup>th</sup> year of breast cancers 'in the pink day' we had a non-uniform day. And in addition to this we held a dance off between teachers. This led to our school raising an amazing £820 out of the £32,620,469 that has been raised for breast cancer research so far this year.

## CHILDREN IN NEED 2014

The Lakes School and sixth form has supported children in need for many years and this year was no exception, where on the 14<sup>th</sup> of November we did a themed pyjama non-uniform day and bake sale. We made just over £160.

## MISS SAIGON

After the years of planning and fundraising, the wait for Miss Saigon was finally over. The first show was on the 11<sup>th</sup> and it ran until the 15<sup>th</sup> of November, with 6 shows that frequently sold out. The cast and backstage members managed to raise funds of over £30,000 in two years, by holding several coffee mornings and car boots at the school. This total was finalised with a generous grant from Andrew Lloyd Webber.

## MOVEMBER

'CHANGING THE FACE OF MEN'S HEALTH'

Thanks once again to everyone who grew or drew a moustache for Movember.

Movember aims to 'educate and raise awareness' surrounding men's health, but if you can't grow a moustache but still want to get involved you can donate money by via the Movember website.

# SIXTH FORM PANTOMIME

On the run up to Christmas the upper sixth have been planning their annual sixth form pantomime. But this year we plan to be better than ever. We would like to apologies to all the staff members that were humiliated in the process of entertaining the school. We hope that you all enjoyed it!

# CHRISTMAS FAIR

On the 6<sup>th</sup> of December the school hall was turned into a Christmas craft market. That's thanks to the many sixth formers who helped to decorate it and the heaps of local businesses and people who turned up with their stalls.

Santa's grotto took centre stage at the fair (literally) and was proved to be the most popular attraction.

Collectively the day raised £1000, which will go toward the development and improvements in the sixth form area.

## EDINBURGH

### ART & PHOTOGRAPHY

On Friday the 17<sup>th</sup> of October the AS and A2 art and photography classes visited Edinburgh. On their visit they went to the two most famous Scottish galleries, the Scottish national gallery and the Edinburgh's Fruit market gallery.

## SNOWDON

### OUTDOOR EDUCATION

On the weekend of the 29<sup>th</sup> November pupils went on an expedition to Snowdon national park. They climbed the major peak in under 6 hours, and on the following day climbed Tryfan, another large peak in the national park.

A similar trip is going to be run on the 30<sup>th</sup> of January to the Cairngorms national park that will be focusing on winter walking skills in mountain ranges over 4000 feet.

## BRADFORD

### MEDIA & PHOTOGRAPHY

The AS media studies class visited the Bradford Media museum accompanied by the photography class. Where they both took part in an animation work shop ran by the museum.

# MERRY CHRISTMAS FROM ALL OF US IN SIXTH FORM
