I have read and understand the Responsible ICT use for students, and as a parent or carer of the student signing above, I grant permission for my son or daughter to use the internet and other ICT facilities at school. I understand that the school will take reasonable precautions to ensure that students cannot access inappropriate materials, including the teaching of internet safety skills to students, but accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the internet. I accept responsibility for setting and conveying standards for my son or daughter to follow when selecting, sharing and exploring information and media, and acknowledge that they will be deemed to be accountable for their own actions.
