

Photography and Use of Images at The Lakes School

Dear Parent or Carer

During the course of the school year there may be opportunities to publicise some of the activities that your child is involved with, this may involve filming or photographing children for use in local media. As a school we welcome these opportunities and hope that, as parents, you do too. There may also be occasions when we will arrange photography for school purposes ie displays and school prospectus/brochures and the school website etc. *Please note that websites can be viewed throughout the world and not just in the UK where UK Law applies.*

Photography or filming will only occur with the permission of the Headteacher and under the strict supervision of a teacher. Where filming or photography is carried out by the news media, students in Years 7 & 8 will only be named when there is good reason ie prize winning; home addresses will never be disclosed.

Whilst positive publicity benefits the school, your child will not be involved without your consent. Images of your child held by the school which are subject to the Data Protection Act 1988 can be viewed upon request.

To comply with the Data Protection Act 1988, we need your consent before we can record or photograph your child, therefore, can you please complete the form below noting that consent can be withdrawn at anytime:
