Excellence through a caring, learning community

## 1. Rationale

We believe in promoting excellence to enable all our students to be happy and achieve their potential regardless of their personal circumstances. The Pupil Premium funding is intended to minimise the impact of pupils living in disadvantaged situations by providing extra support in school to ensure that they achieve their potential.

The DfE has given schools the freedom to use the Pupil Premium as they see fit, based upon our knowledge of our pupils' needs: 'It is for schools to decide how the Pupil Premium, allocated to schools per FSM pupil, is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility'.

Pupil Premium funding at The Lakes School is used to support student learning and well-being in order to close the achievement gap that exists between students from disadvantaged and non-disadvantaged backgrounds. We fully recognise that we are accountable for how we use the additional funding.

Pupil Premium funding is received by the school to support three student subgroups in Years 7 – 11:

- Those in receipt of Free School Meals (FSM) or those who have received FSM in the last 6 years. (FSME6)
- Looked after children (LAC) defined in the Children Act 1989 as one who is in the care of, or provided with accommodation by, an English local authority or children adopted from care under the Adoption and Children Act 2002 who have ceased to be looked after by a local authority in England and Wales because of adoption, a special guardianship order, a child arrangements order or a residence order.
- Children where a parent is employed by the armed services. Students eligible for the service child premium in this or any of the previous 4 years or in receipt of a child pension from the Ministry of Defence.

For further details of each category and the amount payable in any year, please refer to the 'Pupil Premium 2016-2017; Conditions of Grant' published by the Department for Education

<https://www.gov.uk/government/publications/pupil-premium-2015-to2016-allocations/pupil-premium-2015-to-2016-conditions-of-grant>

The Pupil Premium was initially introduced in April 2011 when schools received an additional £448 for each child eligible for free school meals. It has since risen to £935 per eligible student.

The service child premium is £300 and schools receive £1900 for each looked after child (LAC, sometimes referred to as CLA).

The prime use of the funding is to raise achievement for these students and others from a disadvantaged background. We will, however, support students academically, socially and emotionally, to ensure they have a positive experience of school and can optimise the opportunities to develop and succeed. Whilst we believe that the emphasis has to be on improving literacy and numeracy knowledge and skills, we also believe that no one intervention can provide the answer to improving progress and it is the combination of support available which benefits the students.

At The Lakes School we employ a range of support mechanisms in order to optimise the engagement and success of all the students and to promote their well-being. Pupil Premium funding is used to remove obstacles to this success and/or participation. The range of support available for academic, social and mental well-being recognises the nature of our student body, the rural nature of our catchment area and the personal needs of each student.

## 2. Our Pupil Premium Aims

In executing our responsibilities in connection with Pupil Premium funding, we will:

- 2.1 Ensure that Pupil Premium funding is used solely for its intended purpose
- 2.2 Use the latest research on proven strategies to close the attainment gaps and adapt these as necessary to meet the needs of our students
- 2.3 Ensure that parents are aware of their child's Pupil Premium eligibility
- 2.4 Be transparent in our reporting of how we have used the Pupil Premium, so parents and others are fully aware of how this resource has been used
- 2.5 Be mindful of the fact that eligibility and take up FSM does not equate with pupils being considered to be of "low ability" because of their social circumstances
- 2.6 Ensure there is robust monitoring and evaluation in place to account for the use of the Pupil Premium
- 2.7 Recognise the fact that Pupil Premium students are not a homogeneous group and cover a wide range of needs
- 2.8 Use high quality teaching and learning as the preferred way to close the gaps in attainment. We will also use interventions with proven evidence of impact to assisted pupils who need additional support in a time limited way
- 2.9 Use the Pupil Premium for all year groups not just those taking examinations at the end of the year

## 3. Our Roles and Responsibilities

All members of our school community, particularly staff and governors, are committed to raising standards and closing the attainment gaps for our pupils

The governing body has an important role in ensuring our school complies with legislation and that this policy, along with its specific stated actions for closing the gaps, is implemented. The governing body ensure Pupil Premium is given high priority through the school improvement plan and as a regular item on the agenda for Staffing, Teaching and Learning sub-committee and Full Governing Body meetings.

For the period 2016-2017, the day to day leadership of our Pupil Premium strategy is carried out by Mr C Jeremy, Assistant Headteacher, Miss J Rowland, TLR3 Pupil Premium and Mrs S Wileman, School Business Manager.

The Governing Body, the Senior Leadership Team are responsible for implementing this policy by working closely with all staff. They will ensure that all staff are aware of their responsibilities in closing the achievement gaps that exist between groups of students. They will also ensure that staff are given appropriate support and relevant professional development opportunities to accelerate pupil's progress and attainment. Through the school improvement plan and appraisal arrangements, they will make sure closing the gap is a priority area of focus for the school.

### Teaching and Associate Staff will:

- 3.1 maintain the highest expectations of all students and not equate disadvantage of circumstance with 'low ability'
- 3.2 promote an inclusive and collaborative ethos in their classrooms which enable students from disadvantaged backgrounds to thrive
- 3.3 plan and deliver lessons to a high standard and support the acceleration of progress in learning, so that gaps can be closed and improvements maintained
- 3.4 support disadvantaged groups of students in their class through differentiated planning and teaching, especially for those who find aspects of learning difficult and are in danger of falling behind
- 3.5 keep up to date with teaching strategies and research, which have a proven track record in closing the gaps in achievement

## 4. Monitoring

4.1 Monitoring will be undertaken by the SLT on a half- termly basis. This will ensure that funding is allocated appropriately and is meeting the needs of the target groups.

4.2 Subject and subject teachers will use the information provided at assessment points to identify the performance of Pupil Premium pupils in their classes/department to measure the impact of interventions. There will be a focus on the progress of student groups, including those in receipt of Pupil Premium funding at AP review meetings held half-termly.

4.3 The SLT will be responsible for reviewing the success of the different intervention activities and strategies.

4.4 The decision over how the Pupil Premium is spent has been delegated by the governing body to the SLT

4.5 Parents and external agencies cannot dictate how this money is spent, although they may make requests which will be considered. As a school we aim to work closely with parents of eligible students to ensure any barriers to learning are removed.

4.6 Measures have been included in the national performance tables. They include the achievement of Disadvantaged pupils covered by the Pupil Premium.

4.7 Under the School Information (England) (Amendment) Regulations 2012, Schedule 4 Section 9 schools are required to publish, 'The amount of the school's allocation from the Pupil Premium grant in respect of the current academic year; details of how it is intended that the allocation will be spent; details of how the previous academic year's allocations was spent, and the effect of this expenditure on the educational attainment of those pupils at the school in respect of whom grant funding was allocated'. In meeting this requirement we will observe our continuing responsibilities under the Data Protection Act 1998, so that individuals or groups of individuals cannot be identified.

## 5. What barriers do our PP students face?

At The Lakes School, our PP students typically encounter the following barriers to making progress with their learning;

5.1 A sense that they do not have as many privileges as others

5.2 Low attendance

5.3 Low aspirations

5.4 Low confidence in own abilities

5.5 A healthy balanced diet and general access to regular food intake to focus in lessons

5.6 Low levels of literacy and/or numeracy

5.7 Limited engagement with enrichment opportunities

## 6. Strategies in place from September 2016

The Lakes School is a medium sized comprehensive school with approximately 10% of pupils being eligible for the Pupil Premium funding. No single intervention provides a complete solution to the complex educational issues in any school and it is therefore a multi-faceted approach that we feel offers the best opportunity for pupils to succeed.

The key to narrowing the gap between disadvantaged students and all students is thorough monitoring/tracking of pupil attainment and progress.

Termly analysis of students' progress across all year groups shows us where to target our interventions. Our strategies are based on national research, including the Sutton Trust Toolkit and Ofsted documentation, and experience of what works at The Lakes.

The teacher responsible for Pupil Premium holds regular meetings with team leaders and key staff to discuss the progress of Pupil Premium students. All Pupil premium students have an individual interview at least once a year which helps key staff identify potential areas for support, and help target intervention.

Our interventions and support for Pupil Premium students respond to the specific needs of each cohort and each individual student. Below is a list of strategies that we implemented during 2015-2016 and intend to carry forward in to the academic year 2016-2017.

6.1 Targeted one-to-one tuition in English and Maths

6.2 Accelerated Reader Scheme for Years 7 and 8

6.3 The work of a team of mentors, working across subjects and year groups to support disadvantaged students and help them become independent and resilient learners.

6.4 The implementation and monitoring of good quality teaching and learning, prioritising PP students in lessons and in our written feedback.

- 6.5 Resources (such as revision guides, workbooks, art and craft materials and cooking ingredients) provided to support academic study.
- 6.6 Support, through the tutor group system and in conjunction with our Education Welfare Officer, for pupils whose attendance has dropped below 85%. These interventions involve families and are supportive rather than punitive.
- 6.7 Our Pupil Premium Champion works closely with the lead for attendance to target support for PP students.
- 6.8 We are increasingly focused on Pupil Premium children during their transition from primary to secondary school.
- 6.9 Our pastoral blue book includes details of PP students' particular needs and achievements and enables all classroom staff to be familiar with PP students before they start their lessons at The Lakes School. This information, which contains behaviour information and teaching strategies, is then updated as the student moves through the school.
- 6.10 Aspirational IAG support including targeted careers interviews and College visits for PP students.

**Review of impact of PP Spending Summer 2016**

**Year 11 Achievement 2016 Cohort**

In our 2016 Year 11 cohort, 11 of our 92 students were identified as pupil premium students.

55% of them achieved 5 A\*-C grades including English and Maths at GCSE. This was a **better performance** than NPP students where 54% achieved 5 A\*-C grades including English and Maths. This represents an improvement from 2014 and 2015 where the in-school gap was 38% and 53% respectively.

The average Progress 8 score for PP students was -0.52 compared to -0.17 for NPP students. Within the data however it was pleasing to see that the more able pupil premium students out-performed their non-pupil premium counterparts in English and maths.

The percentage of PP students achieving 5A\*-C in 2016 **increased** by 37% in comparison with 2015 results.

In 2016, the percentage of students achieving 3+LOP in English **increased** by 44% as 55% of PP students made at least 3 levels of progress.

In 2016, 10% of PP students made more than expected progress in English, this is an **increase** of 10% from 2015

## Key Areas for Improvement for 2016-2017

1. Increase percentage of PP students achieving a good pass in English and Maths
2. Increase percentage of PP students making good and outstanding progress in English and Maths
3. Increase progress 8 score for PP students
4. Establish mechanism for accurately monitoring PP and NPP attendance from September 2016

### 7. How do we plan to spend out PP funding for 2016-2017 to address these key areas for improvement?

We have set out the following plan for the spending of our PP budget for 2016-2017. The impact of this spending will be review at each Assessment Point during the academic year which are scheduled for October, December, February, May and July.

Pupil Premium Planned Expenditure 2016-17
