Dear all,

The Lakes School has been running an annual Ski Trip for over 40 years and these have become well known as amazing experiences that students often want to return to year after year. Students from all year groups come on these popular and active trips and always enjoy making friends, learning new skills and visiting exciting places under the supervision of Lakes school staff.

The school ski trip is always organised 9-12 months in advance to secure the very best resorts and to give families the chance to save up and pay in instalments. We have just booked to go to Morzine in February half term. A stunning resort in the French Alps, Morzine is a well-known, fantastic ski resort with over 120km of piste and ski runs that are suitable for all levels- from complete beginner to advanced skier. We have a lovely hotel close to the town centre with full board. We have booked with one of the UK's largest school ski companies, Equity Ski, who will support us with a full-time representative throughout our stay and arrange everything for us. Morzine has the added advantage of being in the more northerly Alps, thus ensuring a much shorter trip by coach from Calais.

This is an all-inclusive holiday with transport, full board, ski equipment, lessons and lift pass provided. Students will be taught in small groups with instructors from the local French ski school for 5 hours every day. We will be travelling by luxury coach and cross-channel ferry departing on **Friday 9<sup>th</sup> February**, returning the following Friday/Saturday. Evening activities will be action packed too: there is an Olympic-sized skating rink, and entertainment rooms in the hotel including large screen tv, pool and table football.

### Price of £869 includes:

- Return luxury coach and cross-channel ferry from school to Morzine
- 6 days skiing, including lift pass and minimum 5 hours of tuition per day
- Hire of skis, boots, poles and helmet
- 6 day lift pass
- Full board and accommodation
- In-house evening entertainment programme
- All insurance costs
- An Equity representative with the group for the whole week
