

COURSE TITLE: MATHEMATICS

EXAMINATION BOARD: EDEXCEL

An overview of the specification:

- Exams will take place at the end of year 11.
- Flexible course that can be adapted to suit student needs.
- Clear and engaging specification.
- Develops student knowledge and confidence over two years.
- Topics to be covered are:
 - Number
 - Algebra
 - Ratio, proportion and rates of change
 - Geometry and measures
 - Probability
 - Statistics

This is a new GCSE Mathematics course. We have adapted our key stage 3 teaching to ensure all pupils will have the relevant skills to approach the new GCSE.

Assessments:

Regular assessments will take place in order to ensure setting is effective and students are being successful.

All students will take the GCSE at the end of Year 11. There will be three 1 hour 30 minute tests, one is a non-calculator paper and the other two are calculator papers.

Homework:

Homework is set once a week and will support the learning that has taken place in class.
