

BECOME A GOVERNOR AT THE LAKES SCHOOL

Are you interested in joining the governing body at The Lakes School? Would you like to join a team of governors who are dedicated to providing support and challenge to the leadership of the school? Would you like to help us on our journey as we establish The Lakes as the first choice secondary school for parents in our community?

If you would like to add your skills, experience and sense of humour to our governing body then we would love to hear from you. Simply call school reception on 015394 40810 to express your interest.

Who becomes a governor?

Most people have doubts about what they could offer a team of school governors. The truth is, like any team that work together, a governing body needs a broad range of people from different backgrounds and with a glorious range of experience from different professions.

Governor meetings at The Lakes School enable all members to contribute to improvements at the school and your unique experience would be a fantastic addition to our team.

You might like to arrange for an informal conversation with our Chair of Governors Mr B Smith or with our Headteacher, Mr A Cunningham. Simply contact school reception if you would like to talk to someone about the possibility of becoming a governor at The Lakes School.

This is certainly an exciting time to join the governing body at The Lakes School. During December 2018, we received an extremely positive report following our OFSTED Section 8 monitoring visit and this has given the school another boost towards our next full inspection which should take place before December 2019. Student outcomes at the school have risen steadily during the last 3 years and we continue to embrace our vision for a caring, learning community which is at the heart of all that we do through our curriculum provision and our pastoral care.

The governing body care deeply about the position of The Lakes School in the community and we look forward to welcoming new members who feel the same.

‘Becoming a Lakes School governor has been an incredibly rewarding experience. The role challenges me, provides me with an opportunity to develop and learn new skills, all whilst supporting the school as it grows from strength to strength.’

*Hannah Irwin
Governor at The Lakes School*

‘Participating in the governance of this extremely important asset within our community provides opportunity to ensure that the quality of the education provided is sustained, enhanced and responsive to the diverse needs of our students with the objective of achieving the best of outcomes for all.’

*Bill Smith
Governor at The Lakes School*

‘Schools are an important part of local communities. Being a governor at The Lakes School has given me the opportunity to help the school along on their journey of continual improvement, providing the young people in our community with the quality of education that they deserve.’

*Sarah McGraw
Governor at The Lakes School*
