

The background of the page features a large, light gray shield-shaped crest. The crest is divided into four quadrants by a white cross. The top-left quadrant shows a white eagle's head facing left. The top-right quadrant shows a white tree. The bottom-left quadrant shows a white open book. The bottom-right quadrant shows a white lion rampant. The text is centered over this background.

The Lakes School Badge Handbook

The Lakes School

Sports Badge

At this time of year, there would be even more sporting and outdoor activities available at The Lakes School, which are in addition to the numerous activities that are already offered during the school year. These include Duke of Edinburgh and The Lakes School's sports day.

Some sporting activities may not be possible currently so you need to think about what you can do within the government restrictions.

Here are some possible suggestions. It would be nice if you could think of an idea that others might not have considered.

Go for a daily walk.

Walk 100 lengths of the garden.
(Captain Tom Moore's challenge)

Walk up and down the stairs
to represent the height of a
mountain.

Have a football match in
the garden with siblings.

Take part in Joe
Wick's PE lesson
every day.

Go for a daily/weekly
bike ride.

Have a family sports day.

Ten pin bowling match
at home.

The Lakes School

Creativity Badge

Throughout the school year, you are given many opportunities within your lessons to be creative. This could be a poem in English, drawing in Art, pencil case in Textiles, bookcase in D&T, a play in Drama or a song in Music. The list is endless.

Here are some possible suggestions. It would be nice if you could think of an idea that others might not have considered.

Write a poem.

Take pictures of wildlife on your walk or in your garden.

Decorate a cake.

Compose a piece of music.

Build a bookcase.

Make a pencil case.

Sketch a day project with Mrs Benson.

Perform part of a play.

The Lakes School

Community Badge

Helping the community is something that many students do on a daily basis. This could be helping at home, helping your school community or helping the wider community. Since March, lots of you have helped in extraordinary ways, which range from helping with more chores at home, helping your friends/siblings with pieces of work for school or helping the wider community and in some cases the NHS.

Here are some possible suggestions. It would be nice if you could think of an idea that others might not have considered.

Cook a meal.

Help siblings/friends with school work.

Help around your house or farm.

Spend time with your family.

Deliver shopping to neighbours.

Decorate your window.

Teach a sibling something new.

Help the wider community for example the NHS.

The Lakes School

Environmental Badge

Currently many students are spending time in the garden or on walks. Looking after the environment is something that we can do in lots of ways. This could be creating houses for garden animals, gardening or even recycling various items that are in the house.

Here are some possible suggestions. It would be nice if you could think of an idea that others might not have considered.

Help in the garden.

Build a bird feeder.

Build a bird box.

Upcycle a piece of furniture.

Recycle

Grow vegetables.

Mend or adapt an item of clothing.

Plant some flowers.

The Lakes School

Gold Badge

The Lakes School Gold Badge is to recognise students who have achieved all four of the other badges.
